## Joseph Skinner

Board Member

Joe Skinner is a husband, proud father of three, and entrepreneur committed to building a meaningful life centered on faith, family, and purpose. As a Realtor, he works closely with individuals and families to help them navigate one of life's biggest decisions with confidence and clarity.

He serves as the Manufacturing Manager at Skinner Innovations, where he has the privilege of working alongside his father—combining hard work, innovation, and shared values to continue building something that lasts.

Joe is also the host of the *Dad Cave* podcast, where he has honest, real conversations about fatherhood, life, and leadership. His perspective on fatherhood is deeply personal—after nearly a year of working with a fertility specialist and going through monthly IUI treatments, Joe and his wife experienced the long-awaited joy of becoming parents. That journey shaped his appreciation for family and fuels his passion to encourage other fathers to be intentional, present, and grounded in what matters most.

In addition, Joe serves as a leader in his church, investing in his community and striving to make a positive impact in the lives of others.

He believes strongly in the mission of Fathers for Freedom, a nonprofit focused on empowering fathers and parents to lead their families with strength and purpose. Everything Joe does is rooted in a desire to live with intention and leave a lasting legacy.

Strong Fathers. Strong Families. Defending Freedom.
